

# THE MOSES PROJECT

## *Light Your Fire at a Burning Bush Party!*

You are *warmly* invited to attend a burning bush party at the home of Bob and Pat Stewart on Sunday, May 16<sup>th</sup> at 7 pm. The Stewarts live at 1660 NW 112<sup>th</sup> Street in the Felida neighborhood of Vancouver. Please RSVP by calling them at (360) 888-8888. If you cannot attend a party on this particular night, you are welcome to attend one of three other parties listed below.

The burning bush parties provide an opportunity for both community building and discerning our social justice calling as individuals and as a church. In preparation for the party, you are asked to read and bring along the social action packet you will receive after worship on May 2<sup>nd</sup>. The social action packet will outline the potential organizations with whom we might partner.

Other than the packet, there is nothing else one needs to bring unless you want to accept Pastor Brooks's challenge to bring a burning bush desert that rivals his burning bush marshmallow cookies.
